

River Myst Haven sits in the heart of the beautiful and serene Russian River Valley. Our view overlooks the natural splendor created by the waterway that gives this area its name. The Russian River Valley AVA is one of the few places in the world that offers a climate and terroir perfect for the difficult-to-grow Pinot noir grape.

In 2014, growers were worried about the mild winter and continuing drought, as well as an early spring bud break and premature harvest. Fortunately, concerns dissipated as vines stressed by these conditions showed a small decline in yield but with added extraordinary flavor. The season rounded out three great years for Russian River Valley Pinot Noir.
