

Vintap was founded by wine industry professionals with the goal of making great wines exclusively in the keg format.

Winemaker's Ashley Herzberg and Leo Steen bring their award winning style to our eclectic portfolio.

2016 was another ideal growing season. Even though we had low rainfall, the weather could not have been better for making great wine. It was very even from budbreak all the way through to picking.

100% fermented and aged in tank.

## 2016 Pinot Grigio Mendocino County

Pure and linear flavors of melon, apple and pear with crisp finish of lemon and mango.
